

Causes of WWII

# Adolf Hitler

- Adolf Hitler was born April 20, 1945
- He was born in Braunau-am-Inn, Austria

Died April 29, 1945

# Treaty of Versailles

Hitler ignored the Treaty of Versailles by:

- Began building up the army and weapons in Germany
- Reclaiming the land that was taken by the treaty
- Invaded Poland and Czechoslovakia

# Nazi Party

- Was founded February 24, 1920
- Founded by Anton Drexler, Gottfried Feder, and Dietrich Eckart

# Causes

- The Nazi Party was a cause of WWII because it took control of the German parliament and broke the Treaty of Versailles.

# Treaty of Versailles

- Took Germanys rights, land and freedom.
- Caused the germans to rebel against the government

# Hitlers Action

- Went against his word and Invaded 3 countries
- He was dishonest and unworthy

# Failure of league of nations

- Loss of economy, loss of income, and unemployment caused the league of nations to crash causing problems for Germany.

# Failure of appeasement

- Appeasement- giving someone everything they want.
- Hitler got all the countries he wanted and caused the war.
