

Negative effects

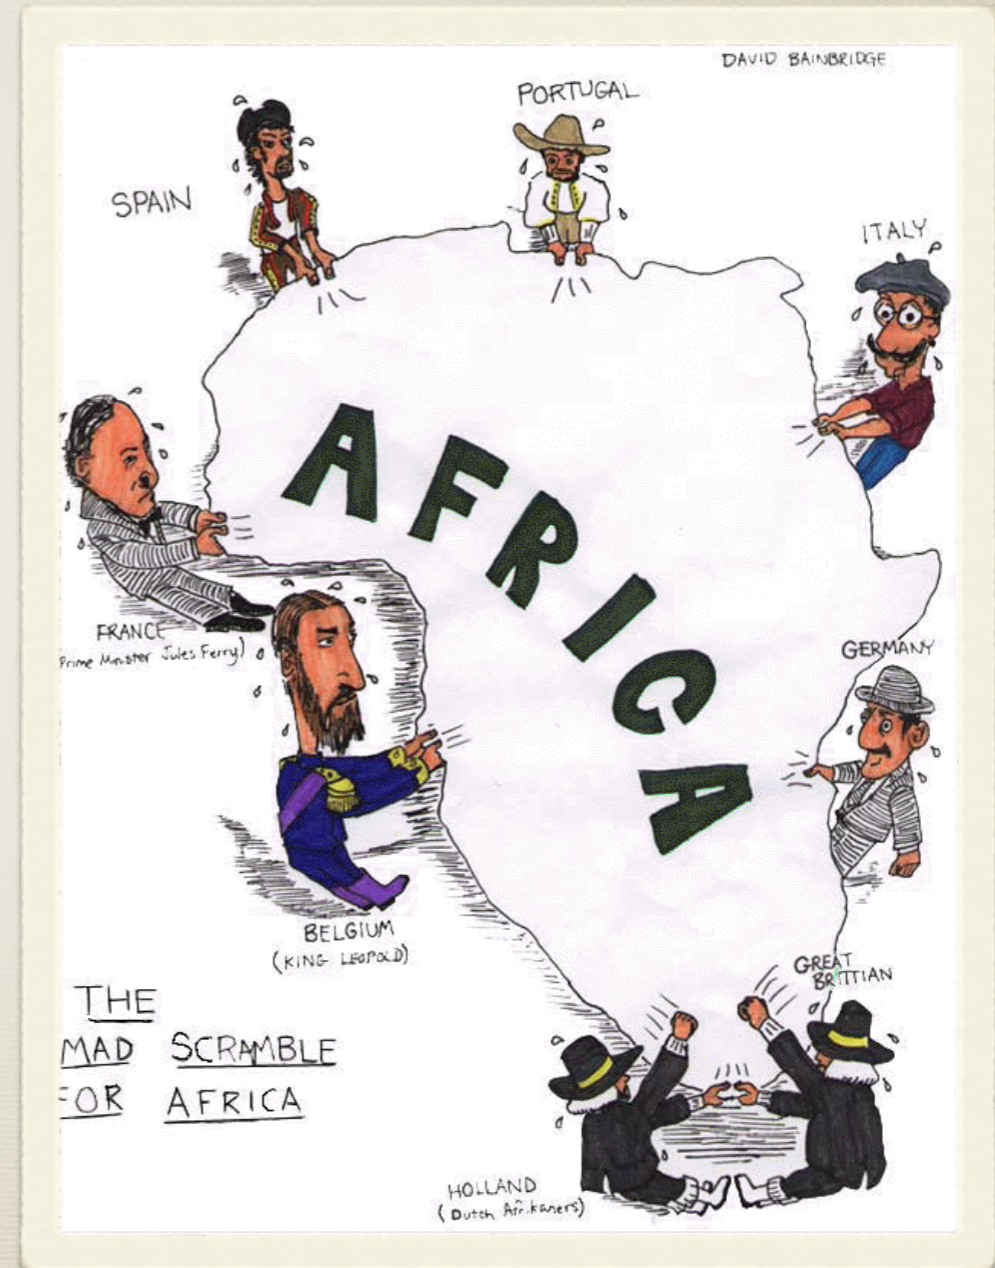

Alyssa

What negatives or problems
did imperialism bring to the
colonized .

Effects varied from region to region .

Africa

- * Africa lost land and were forced into ethnic boundaries .
- * African people were divided into hundreds of linguistic groups
- * Most continued to follow traditional beliefs others converted into Islam or Christianity .

India

- * A deal of wealth flowed from India to Britain .
- * Indian industry died out because of british trade law .
- * Most british official had racist attitudes that that threatened Indian culture .
- * They were forced to grow cash crops .

Muslim lands

- * Britian forced Persia to give up Afghanistan
- * Muslim counties tried to modernize but these efforts came too late to prevent Europe from taking over
- * British took control of Egypt and the canal .

Nigeria

- * The British let local chiefs manage their areas and collect taxes . Chiefs had no existed before in the east and did not have power of status to rule .
