

Education

Education is a weapon
whose effects depend on
who holds it in his hands
and at whom it is aimed.

- Joseph Stalin

Controlled all nursery schools
through the universities.

Outside of school, children were
expected to join youth
organisations.

A rigid programme of discipline and
education was introduced.

"a person does not want to become a collective farmer or
just a cleaning women, the only means you to get
something is through education."
