

# Stalin's Propaganda

Propaganda of Stalin.

Stalin rewrote history in a way that supported his way and the ways of the communists.

Stalin showed himself as a father figure for Russia

Many short stories operas were made in his honor.

He made it illegal to criticize him or his party members.

He used pictures with him and happy children to make it look like he was a kind and loving leader.

Noone was allowed to talk about his past.

He had pictures of him everywhere to make him look like a great leader.

He had statues made of him to look like a great leader.
