

# Propaganda Methods

*Morgan Roach, and Nanci Segura*

# What is propaganda

➤ Propaganda is information, esp. of a biased or misleading nature, used to promote or publicize a particular political cause or point of view.

➤ Propaganda made people feel like they had no privacy and took away all of their rights.

**BIG BROTHER**

**IS WATCHING  
YOU**

➤ They had little to no say about their lives, they had to do what the government says.

Family members would be threatened or killed. People were put in prison. There was police brutality.
